

# ROBERT STEMLER

Our 2007 Vin Gris is a saignée blend of our best lots from The Donum Estate. Fermentation was native in stainless steel tanks. There was no malolactic fermentation and the wine was aged in extra tight neutral barrels for three months. It has palate weight while retaining its acidity. Very small production of 250 cases.

## 2007 CARNEROS PINOT NOIR Vin Gris

Aromas of fresh strawberries, ripe cherries, slate and orange blossoms. It's creamy texture is balanced by penetrating acidity, fresh red fruits and a lingering mineral finish.
