2003 Estate Grown Pinot Noir

HIGHLY DISTINCTIVE WINE

92

"Touches of toast and a hint of dry earth provide a nice note of complexity to both the sweet, fully fruited aromas and very rich, oak-buttressed, cherry-like flavors of this polished and mouth-filling wine. Full and ripe, yet never less than carefully balanced, it avoids any hint of either heaviness or heat and stays fixed on incisive varietal fruit from front to back. It could well find a little more complexity with a few years of patience, but it is inviting and tasty now." — *Connoisseurs' Guide to California Wine*
